

# TURN-ON! CHICAGO 2018

## Registration Instructions and Notes

There are two payment methods for this year's symposium. You can pay through PayPal, (no account required), or by check. If you choose to use PayPal a 3% fee will be added to your total payment. It shows up as a "Tax" on the PayPal invoice.

Once you determine which payment method you prefer, click on the link to that form. Completely fill in your information and choose your options. When you click on 'Submit', you will have the opportunity to review your information. Once you confirm that the information is correct, if you have selected PayPal as your payment method, you will be automatically directed to the PayPal site to complete your payment. You can use a credit card, bank account, or your PayPal account. Once the payment process has been completed you will receive an email confirmation of your registration.

If you have a spouse that is also registering, that person will have to fill out their own registration. The second registration is discounted by \$50.00.

Checks should be made payable to: Chicago Woodturners. Mail to:
